

Live Dental CE – One-Page Vetting Checklist

Use this checklist before you pay for any live (in-person or live virtual) CE course.

Accreditation & Compliance

- Provider recognized by ADA CERP or AGD PACE (dates verified).
- Course meets any state-mandated topics or format rules for this cycle.

Learning Outcomes & Format

- Clear, measurable learning objectives and competencies.
- Format matches my goal: hands-on (live patient/typodont), lecture, live virtual, or hybrid.

Hands-On Quality & Faculty Access

- Faculty-to-learner ratio supports multiple supervised reps.
- Prerequisites and baseline skills are realistic for me/my team.

Evidence, Independence, Disclosures

- Evidence-based content with transparent commercial disclosures.
- Cases documented with photos/steps/settings/outcomes/complications.

Logistics, Cost, and ROI

- Total cost of attendance calculated (tuition, travel, downtime, consumables, equipment).
- Cancellation/refund/transfer policy and early-bird or waitlist terms are clear.

Post-Course Support & Documentation

- Post-course resources provided (checklists, protocols, mentorship, billing codes, recordings).
- Certificate delivery method/timeline confirmed; audit documentation available.

Two-Minute Vetting Workflow

- Look up provider in ADA CERP or AGD PACE directory; confirm legal name and current dates.
- Scan syllabus for outcomes, hours, disclosure, certificate details.
- Save directory screenshot and syllabus PDF in your CE folder before checkout.

Tip: Book 3–5 conservative candidate cases and plan a 30/60/90 rollout before attending.

Produced by CE Crowd. This checklist is educational only; verify state rules and provider directories.
